CRANES & COMPONENTS

**CRANE  
FABRICATION**  
STANDARD KIT

---

Lifting your  
world.

## GH PHILOSOPHY

### **MORE THAN STANDARD**

What other brands provide as an extra, GH gives as standard. This increases the crane performance in the long-term period, the safety and the productivity.

### **QUALITY IS OUR DIFFERENCE**

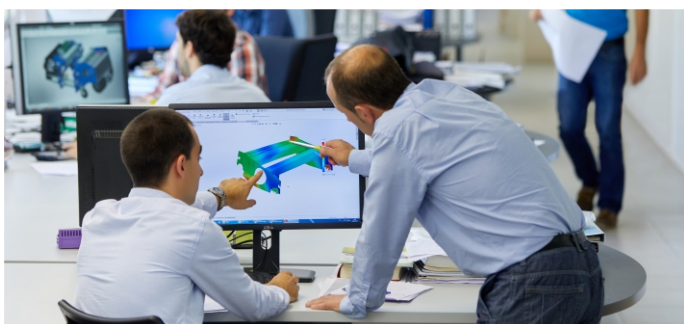

In GH we look for the top quality and the best features making our product more competitive.

### **100% EUROPEAN FABRICATION**

Other brands might be cheaper reducing materials and features.

All our products and components are designed, engineered and manufactured in Europe.

### **KNOW-HOW GH**

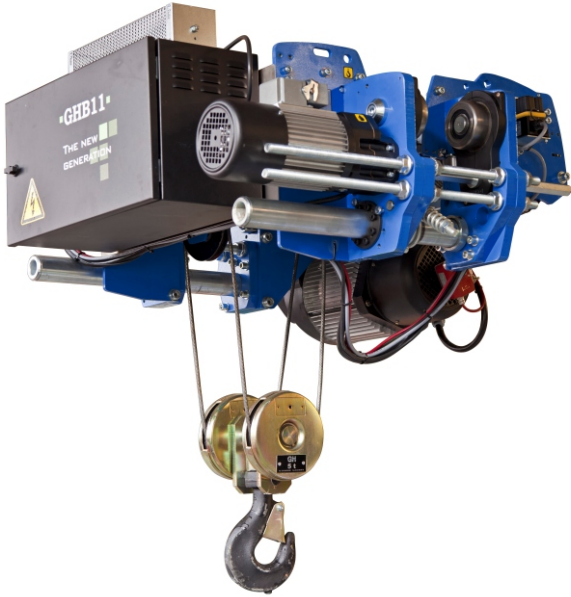

More than 50 years of experience in the manufacturing of cranes added to the high quality of our components, involves that we can offer cranes of the maximum quality level.

### **CUSTOMER SATISFACTION**

The junction of research, development and innovation, the quality of our products and the service we can offer, obtains the maximum satisfaction for our customers.
